BROSA

ASSEMBLY GUIDE

Arlo 2x Dining Chair

Components

Upon unpacking your chair from it's delivery box, you should have the separate pieces shown below. Follow the steps on the next pages to assemble your new chair.

Chair body x 2

A x 8 (Leg)

Hardware

B x 8 (Washer)

C x 8 (Bolt)
(Spec: M8)

D x 8 (Dowel)

E x 1 (Allen key)
(Spec: 6mm)

What you need

Step 1

Align a leg (A) so that the screw slot is facing inward. Use the dowel (D) to align the position. Fit a washer (B) to a bolt (C) and use them to fit the leg onto the body of the chair. Turn the bolt with the allen key (E) until it is secure but do not tighten yet. Repeat for all four legs.

Step 2

Lift the chair off the ground and turn it right side up while being careful not to put any pressure on the legs while you turn the chair.

Step 3

Place the chair on a flat surface, then sit on the chair and shift your weight around until the legs are level and the chair does not rock. Then use the allen key (E) to tighten all the bolts. This is one chair complete, repeat the whole process to assemble the other chair. Enjoy your new chairs!
